2020 - 2021

MISSION STATEMENT

Welcome to John Curtis Christian School. We believe that Jesus Christ our Lord and Savior has brought us together to fulfill the mission of John Curtis Christian School. The mission of JCCS is to provide a high degree of scholarship in academic pursuits, excellence in the development of mind and body, and focus on individual responsibility and community service in the framework of Christian and moral values and love of family and country.

HISTORY AND PHILOSOPHY

Since the school's beginning in 1962, John and Merle Curtis knew through their own experience that a strong spiritual foundation which encompassed the moral and ethical values of life along with a strong academic environment could have a positive effect on young people for a lifetime. This foundation was based on core values they felt were imperative in educating well rounded young men and women. They had an unwavering belief in God, family, and country. They believed strongly that honesty, trustworthiness, respect, and humility were value to a child's development. By creating a true family atmosphere, they believed each student could flourish in time to their fullest potential. They worked diligently to create a nurturing environment and provide a place where children could excel academically, socially, psychologically, and physically. We appreciate your service and commitment to JCCS as we work together to fulfill these core values.

Christian Schools, Inc., which operates the John Curtis Christian School, is an independent educational foundation incorporated not for profit under the laws of the State of Louisiana. The school is administered by a self-perpetuating Board of Trustees, completely free from any religious denomination or political control.

The John Curtis Christian School is a co-educational, non-sectarian private school with a college bound curriculum. The school offers Pre-T2 through 12th grade with approval from the Louisiana State Department of Education as well as being accredited through the Southern Association of Colleges and Schools. Boys and girls of all religious faiths are welcome to study and pursue their academic endeavors at the school. We will strengthen the moral and spiritual values of the Christian faith.

Our goal is to educate students in the metropolitan area. We will continue to meet and exceed the national standards, grade level expectations, and State benchmarks for each subject taught. The John Curtis Christian School will teach that belief in God is inherent in the American ideal and culture and that our school pre-supposes a Supreme Being. We will encourage respect and tolerance of all religious conceptions. The school creates and maintains an atmosphere friendly to spiritual and moral truth, thus strengthening and re-enforcing the home and the church in their efforts to provide religious education. We will teach the moral and spiritual values of the Christian culture. These include dignity and sacredness of the human personality and life; the belief that spiritual values are superior to material values; individual responsibility for behavior and for the consequences of individual decisions within society; and devotion to truth and honesty as well as teaching respect for excellence in character and intellectual achievement.

It is the philosophy of the school to educate the whole child by intellectual, spiritual, moral, and physical development. John Curtis Christian School recognizes that patriotism is second only to God and family. The school abides by the Ten Commandments and the teachings of Jesus Christ. The students are expected to conduct themselves at all times in a manner representative of these principles.

The John Curtis Christian School believes that it should help each boy and girl develop:

- Christian character, faith, and morals of a high caliber
- Respect for the dignity of others
- Wholesome attitudes and a set of moral values by which one can make intelligent choices in life
- Ability to think clearly, critically, and creatively
- Ability to alter society through creative thinking and leadership
- The desire to discharge one's responsibility as a citizen
- A loyalty to democratic ideals and to our American way of life
- Ability to communicate ideas with others
- Skills for one's chosen profession
- Emotional stability and sound healthy habits
- Habits and study which will lead to scholastic achievements
- Assumption of legal, ethical, and spiritual responsibilities

The John Curtis Christian School is Christian in principle and will strive for a commitment to Christ and His teachings as we Build Champions for Life.

ACADEMICS

John Curtis Christian School operates on a 7 period day whereby students are required to take core academic subjects as well as electives. Students begin earning high school credits in 8th grade. Students in grades 9th – 12th are required to take 7 courses each year. Projects and research papers are required as a part of graduation requirements. All teachers post assignments and grades on our web based portal. It is the responsibility of the parent and student to check this portal on a daily basis. Each grading period lasts 30 days, therefore each child receives 6 report cards per year.

projects at the Greater New Orleans Regional Science Fair. We have partnered with both Ochsner and LSU to enhance our science department through lab modules and equipment that allows our students to analyze DNA, chromosomes, and cancer. We participate in the Sewer Science Program that teaches our student's about municipal waste water treatments. We are the recipients of multiple grants that increase a student's learning in both math and science. Students participate in local and national contests for the purposes of published poetry, short stories, essays, and art entries.

ADMISSIONS

Admission is based on, but not limited to, a student's academic performance, discipline records, and attendance records. The admissions committee must be satisfied that the prospective student wants to attend and he/she can contribute to and be benefited by the traditions and standards of the John Curtis Christian School. Student information and records will only be released and discussed with the person(s) named on the application.

To be considered for admission the following procedure must be observed:

- An application and registration fee must be completed and filed with the admissions office. Upon acceptance after May 15th both registration fee and tuition payment are due.
- A picture of the applicant must accompany the application.
- The student's grades for the past 2 year's school work, achievement test scores and attendance / discipline records must attached to the application in order for acceptance can be made.
- Each applicant must be in good standing at the current school in both academics and behavior.
- When a student applies for the first time, a birth certificate, health records, and social security number must be presented.
- An interview with the parent or guardian and applicant should be scheduled upon submitting the application. JCCS has a selective admission policy based on the above criteria.
- Each student is reconsidered every year for readmission. Readmission will be based on attitude, behavior both in and out of school, attendance and academic achievement.
- Each student entering the high school must work out his program of studies for the rest of his/her high school career with the counselor. This program of studies must be approved by the parent.
- JCCS reserves the right to only accept credits from a state approved school.

ARRIVAL/DISMISSAL

State law prohibits cell phone use in a school zone.

High School Campus:

Students may be dropped off at 7:55am and must be picked up by 3:45pm. JCCS will not provide school supervision either before drop off or after pick up times. Students are not allowed to be on campus unsupervised. Students must enter/exit the car from the JCCS side of Manguno Drive and/or Celeste Ave. Parents may not park in the bus loading zone in front of school from 2:30pm – 3:30pm. The rear parking lot is available for student/parent parking. Students may not park on St Matthews's property. Students speeding are at risk of losing school driving privileges.

Loud/Vulgar music is strictly prohibited and may result in the loss of driving privileges. Students are not allowed to go to their cars during the school day. Supervision of your child is not provided prior to 7:45am nor after 3:45pm. Please do not have your child on campus during non-supervised hours. The school is not liable for non-supervised hours.

1st & 2nd and 5th & 6th should be picked up at the main building on Madeline St. Please turn right on Jefferson Hwy after picking up so the line will flow smoothly. Speed limit is 2 mph. We will begin dismissing at 3:10.

PLEASE do not arrive before 3:10 as we need to dismiss our younger students first. We reserve the right to ask you to re-enter the line if you arrive before your pick up time.

Bus pick up is supervised by administrators, teachers, and bus drivers. The aftercare workers will pick up registered aftercare students and walk them to the aftercare area.

Every effort is made to protect the safety of our students. Administrators, teachers, bus drivers, and teacher aides assist in the transportation process. It is imperative that the parent and student are aware and follow school policies and procedures.

Any student not picked up by 3:25pm will be brought to aftercare and will be charged. The office needs to be informed before 1:00pm of any change to transportation or after care.

ASSEMBLY PROCEDURES/CHAPEL

Students should walk to and enter the assembly quietly and remain quiet during the meeting. Students should give their attention to the speaker. Students should not make comments or disturb those nearby. Students should applaud courteously. Students should never boo or whistle.

ATTENDANCE/TARDIES

Absences are of two kinds; excused and unexcused. Absences should be reported by the parent by phone or email to the school secretary. Attendance will be governed by the following:

1. If a student has missed a class, he /she will be given an admit slip by the office. The slip will indicate either excused or unexcused.
2. Each student shall be authorized not more than five absences per semester, including excused and unexcused absences.
3. Students' work can be made up and shall be completed in the appropriate time to the number of days missed. It is the student's responsibility to check with the teacher for missed assignments.
4. Excused absences are only given with a doctors note, death in the family, and a college visit. Written verification must be submitted to the office within four days of the absence.

Following an absence, a student will be allowed to make up missed work by contacting his/her teacher(s). The make-up work may be done under the following provisions:

1. On the day a student returns with an excused absence, he/she must take the initiative to consult the teacher(s) as to the work missed.
2. The teacher(s) will determine how and when work shall be made up.
3. If a student fails to appear for an appointment for make-up work without being excused by the teacher, he/she has forfeited his/her right to make up work.
4. A student is not considered absent when attending a school activity. When a student's absence from school is because he/she is representing the school for an official activity, athletics, band, academic games, social studies and/or science fairs, etc. – teachers will be notified by the office usually by way of the daily bulletin. However, the student has the responsibility to notify each teacher in advance of the absence. All work missed must be made up within the proper time limit.
5. If an unexcused absence occurs due to a suspension then work cannot be made up. Zero's will be given.

Teachers will take roll every class period. School begins at 8:20am and ends at 3:10pm. All students should be in their 1st period class by 8:20am. Students that arrive after 8:23am should report to the office for an admit slip. If a student is excessive in absences or tardies teachers will notify the principal. If a student is tardy, the teacher shall not admit him/her to the classroom without a permit from the office. A student may lose credit for excessive absences and tardies. Three tardies equal one absence. A student must attend eighty five days per semester or a total of one hundred and seventy days per year.

It is important that each student attend school regularly and with punctuality. So that a student will receive the maximum benefits of the educational program, there must be a continuity of instruction. Poor attendance breaks continuity and the orderly sequence of building concepts of teaching and learning. The responsibility of attendance rests upon the student and the parent. Students should remain out of school only when it is absolutely necessary.

Students are not allowed to leave the campus or go to the parking areas once they have arrived (by bus or car) at school. The only acceptable way to leave the campus is to go to the student office and check out with parental permission. Any violation of this policy may result in expulsion.

ATTIRE FOR SPECIAL EVENTS

Students must always dress in a conservative manner. Girls must be mindful of appropriate length, modest necklines, no visible midriff or cutouts and skin tight. Strapless dresses nor rompers may not be worn at recognition ceremonies. All other dress code policies must be adhered to.

BEHAVIOR AND CONDUCT CODE

John Curtis Christian School is a safe and drug free school. Students must support this environment. Alcohol and drugs are prohibited from school and school-sponsored activities. The administration has approved a mandatory drug testing program for all students in grades 9th – 12th. This will be an enhancement to the schools drug education and prevention programs that encourage students to make positive choices. Students represent our school in the community and are responsible for

conducting themselves in an appropriate way. Adherence to the behavior code is inclusive to school grounds as well as school events, school activities, and within the community. A student may be expelled when an act or behavior conflicts with the Christian teaching and rules of the school or laws within the community. Any student's behavior will not be allowed when it causes a disruption to the education process. The administration of JCCS reserves the right to look at the totality of a child's record which includes but not limited to discipline and/or academic when making a decision regarding expulsion due to violation of policies, rules, procedures, law of the community and/or violation of the stated moral and religious values of the school.

The following list of behavior rules should be followed by all students.

1. Be punctual in arriving for class.
2. Quietness and proper behavior are necessary and essential in class.
3. Bring textbook, notebook, workbook, pen and/or pencil, and paper to class.
4. Profanity/vulgarity including gestures is not allowed.
5. Students may not possess a knife or dangerous weapon.
6. Cooperate with the teacher and other students.
7. Students are not to be dismissed during class except in emergencies.
8. Students are to use the restrooms before or after school, at lunch, or during the 3 minutes between classes.
9. Students may not go to the locker during/between classes.
10. No eating, drinking, or gum chewing will be permitted in the classroom.
11. Personal cell phones and electronic devices are not allowed between 8:10am and 3:10pm.
12. Any fighting, wrestling, pushing, or horseplay is forbidden.
13. Objects are not to be thrown outside or inside the classroom.
14. The school does not support social relationships between 7th & 8th graders and high school students.
15. Skipping class/school is prohibited.
16. Academic dishonesty and plagiarism in any form are not acceptable. If a student has been found cheating on a test an "F" will be recorded on the report card.
17. Students are not allowed to leave the campus or go to the parking areas once they have arrived at school. The only acceptable way to leave the campus is to go to the student office and check out with parental permission.
18. Possessing, using and/or selling of drugs (legal or illegal) and alcohol is forbidden at school, school function or within the community..
19. Use of tobacco in any form (including chewing, smokeless, e-cigarettes) at any school function, school grounds or in the community is prohibited.
20. Stealing or shoplifting of any item is prohibited.
21. Students are not allowed in unsupervised areas.
22. Students are held responsible for maintaining a safe and clean environment at school. A student who damages school property will be required to pay for the damages and will be subject to disciplinary action.

23. When a student is representing a team or their school it is not appropriate to participate in act of protest, therefore, the administration has an expectation that students will participate during the National Anthem and prayer.
24. Under no circumstances are individual students allowed to sell or purchase any item from another student. This includes material items such as but not limited to clothing, food, etc.
25. Violation of school rules may result in expulsion.
26. Seniors who violate any JCCS school behavior policy are subject to suspension, being denied participation in senior events such as Prom and Graduation, or expulsion.

BUS PROCEDURES

THE FOLLOWING RULES MUST BE OBEYED WHEN TRANSPORTED IN A JOHN CURTIS CHRISTIAN SCHOOL BUS:

BOARDING THE BUS: Do not get within four (4) feet of the side of the bus until it comes to a complete stop. Approach the door of the bus only after the driver has opened the door.

EXITING THE BUS: Each rider is to remain seated until the bus has come to a complete stop. The driver will open the door when it is safe to do so. When the door opens get up and walk carefully to the exit door. Look both ways before exiting the bus. Walk immediately to the sidewalk and

remain four (4) feet from the side of the bus. Students may not exit through the rear of the bus unless the driver deems an emergency situation has occurred.

CROSSING THE STREET: The stop sign on the bus will be extended. You must look both ways and upon the driver's signal cross the street. Walk six (6) feet in front of the bus so the driver may see you clearly.

BUS RULES

1. Upon boarding the bus go straight to your seat and remain seated. Riders are not to stand while bus is moving.
2. Hands and arms are not to be extended out of the windows.
3. Objects should not be thrown within or out of the bus.
4. Loud talking will not be permitted. Conversation in normal tones is permissible.
5. Any tobacco product, alcohol, or drugs are not allowed on a school vehicle.
6. Eating food, chewing gum, or drinking beverages is not allowed.
7. Cell phones and/or electronic devices may not be used on the bus.
8. Other than book/gym bags and lunch containers, no other items are to be on your person.
9. Respect and courtesy should be shown to fellow riders and the driver.
10. Vulgar language or abusive behavior will not be tolerated.
11. Riders should obey all driver instructions.
12. Help to keep the bus clean and sanitary. Anyone purposely damaging, cutting or breaking school property will be required to pay damages and will be disciplined.
13. NO rider will be allowed to ride another bus or be discharged at any location except his own home without written permission from their parent/guardian.
14. NO rider is to exit the bus at any time without the driver's permission and supervision.
15. Leaning out of the windows and/or arms extended through window openings, is forbidden.
16. Any student yelling at people outside the bus or throwing objects from the bus will lose his/her privilege of riding the bus.

ANY VIOLATION OF THESE RULES AND PROCEDURES COULD LEAD TO DISMISSAL FROM RIDING THE BUS TO SCHOOL.

CAFETERIA

There is a cafeteria on both campuses equipped with staff and equipment to accommodate our students. Students may bring their lunch from home and/or purchase lunch in the cafeteria facilities. Students should display courtesy and good table manners. When the students have finished eating, all bags, papers, cans, and leftovers must be placed in the trash receptacles. High School students may eat outside at the picnic tables or the brick benches but must pick up all trash. High School Students may not go in the front of the building on Manguno Dr or the back by Celeste Ave. Students are not allowed to reenter the main building until the end of lunch.

CAMPUSES AND BUILDINGS

Students will be held responsible for the content

and pictures on their electronic device. Violations may result in suspension or expulsion. **Wearable communication devices such as “apple watches” are prohibited.** NEW POLICY: Cell phones may only be picked up by the parent after the student’s detention has been served. Detentions are typically held weekly on Fridays at 7am. JCCS reserves the right to examine the contents of a confiscated cell phone.

CHILD ABUSE LAWS

JCCS follows by the Child Abuse Prevention, Adoption, and Family Service Act. This law mandates that suspected abuse and/or neglect will be reported.

CHROMEBOOKS

Beginning in the 2018-2019 school year, all students in grades 7-12 will be required to bring their own personal fully charged Chromebook to school every day in order to complete academic work. This may include accessing online textbooks, researching online material, completing assignments and assessments, and submitting work electronically. Home internet access may be required to complete some assignments. The school does not accept any liability for personal devices used at school. It is the student’s responsibility to properly care for and store the device at all times. When students are not using their Chromebook, they should be stored in their lockers with the lock securely fastened.

CLASSROOM/SCHOOL MAINTENANCE

Students are not allowed to scratch and/or write on desks, books, or any other school property. Students who purposely mar or destroy school property are responsible for financing the replacement of that property.

COUNSELING SERVICES

Counseling Services--Counseling is an important integral part of the student’s total growth and development. Individual student counseling is available with full-time licensed professional counselors. The counselors may also do group counseling. The counselors will provide assistance in academics, behavior, and personal concerns.

The headmaster, the principal, and the teachers take an active interest in the overall development of each child. In addition, the services of two full time counselors and one chaplain are available to assist students, faculty, and parents in making each student’s stay at John Curtis Christian School a happy and healthy experience.

University Guidance--Each high school student is guided by the principal and/or counselors in the selection of his/her curriculum. The high school counselor will give direction to the students throughout their high school careers. Our graduates are completely prepared to meet the entrance requirements of the most demanding universities. The purpose of our guidance service is to assist each student, through the high school years, to clarify personal goals.

Scholarships—Seniors are assisted in applications for athletic and academic scholarships as well as privately-funded scholarships which may be available. By knowing each graduate, the counselors may encourage and recommend that particular individuals apply for benefits offered by state and private universities all over the country. This kind of assistance is extremely valuable in the field of higher education.

DRESS CODE

Students may not wear oversized, frayed clothing, clothing with holes, or pants with oversized writing/logos. Only solid color slacks/dress jeans may be worn and must fit appropriately at or near the waist. All pants must have a zipper and belt loops. Belts must be brown or black. Uniforms must be maintained and not torn. Students must maintain a neat appearance at all times. Boys and girls must wear their shirts tucked in, hair groomed and in proper dress code. Excessive jewelry, piercings, tongue rings, nose rings, and visible tattoos are not allowed. Boys are not allowed to wear earrings.

Hairstyles must be conventional. Students will not be allowed to attend school with twists, dreadlocks, mohawks, exotic or faddish haircuts. Hair styles must be evenly proportioned on the scalp. Designs outlined in the hair/eyebrow are in violation of the dress/hair code. Ears and eyebrows must be visible. Boys are not allowed to have facial hair or shaved eyebrows. The length of a male hairstyle may not be longer than the top of the dress shirt collar and should be cut evenly all the way around the head. “Tails” or “V’s” are not allowed nor may the hair extend beyond 1 inch in height. Any hair coloring must be naturally occurring hair color nor may hair be bleached without color. Our goal is to have students well-groomed and neat in appearance with conventional haircuts. No student will be allowed to attend classes or to represent the school in any event when that student is in violation of the code. Violators will be sent home until the code is met. Violations of the dress code are deliberate and will not be treated as mere uniform violation but rather as a refusal to follow school rules.

UNIFORMS

Please mark student's name and grade inside all clothing, shoes, book bags, and lunch-kits. Student's name may be embroidered on the front of shirt/sweatshirt. Girls in grades 1st – 12th may not wear dresses or skirts.

SHOES

Students may wear a shoe that is a solid school color, black, brown or grey. . All shoes must be closed toe and closed back.

DRUG POLICY

John Curtis Christian School is a safe and drug free school. Students must support this environment. Drugs, alcohol, and tobacco are prohibited from school and school-sponsored activities. The U.S. Department of Education suggests that school drug policies be written and given to the parents. Leaders in every walk of life in America have awakened to the reality of the drug problem in society today. The most abused drug is alcohol. We have fought hard to establish a drug-free school. This is the ideal for which we strive. Our policy on drug use (alcohol, tobacco, and controlled substances) has been constant and it has to be enforced. The administration has approved a mandatory drug testing program for all students in grades 9th – 12th. Results of the drug testing are confidential and only discussed with the parent. The administration will explain to the parent any and all consequences associated with the the results of the drug test. This will be an enhancement to the schools drug education and prevention programs that encourage students to make positive choices.

A student shall not smoke, chew, or otherwise consume any tobacco product or carry, use, have, possess, distribute, sell, give, or lend any tobacco or tobacco products, smokeless, and e-cigarettes or any other form of smoking object or device, in any form, at school, on school buses, or school sanctioned events or within the community. A student shall not be under the influence of, use, or otherwise consume, or carry, have, possess, distribute, sell, give, or lend any alcoholic beverage in any form at school, on school buses or at school sanctioned events or the community. A student shall not be under the influence of, use, have, possess, distribute, sell, give, or lend any drug paraphernalia, mood altering drugs, illegal narcotics, drugs, or any controlled dangerous substance governed by the Uniform Controlled Dangerous Substances Law, in any form or substance that looks like or is designed to look like a drug at school, on school buses or at school sanctioned events or within the community.

Any medication, including over the counter medicines, must be held in the student office. Failure to comply may result in expulsion. Doctor's notes must be presented to the student office within five days of an absence.

Students should not remain at parties where controlled substances are introduced. Students must adhere to these policies in order to remain at JCCS.

DUAL ENROLLMENT COURSES

Students are offered the opportunity to engage in a dual enrollment program through our local universities. Parents may see the counselor for more specific details.

EMAILS

Most of our communication with parents will be through email. Report cards and school information are sent via email to parents so please make sure this contact information is up to date. Parents should email the teacher directly with questions and concerns.

EMERGENCY PROCEDURES

In the event of a severe and immediate weather alert issued by the weather bureau or an emergency situation, students will be detained under standard emergency procedures until it is safe. Teachers are not to allow students to leave their rooms without direct permission from the principal. In the event of a need for early dismissal a parent will be informed by phone, text and email. Early dismissal will be supervised by the administration. Teachers are responsible for the safety and care of the students in their charge. All must be done quietly and efficiently. In weather related situations, we will follow the guidelines of the Jefferson Parish Public School System. However, we can make decisions only affecting JCCS.

FACULTY

John Curtis Christian School employs approximately 75 educators and support staff. Teachers are certified, highly trained, and qualified with a desire to improve their skills through professional development. The teachers are born again believers in Jesus Christ. The faculty possesses attributes of love, understanding, trust, caring and sharing.

FIELD TRIPS

The purpose of field trips is to enhance a child's education. Teachers and administrators may restrict a child's participation in a field trip. Parents must provide signed consent in order for a child to attend a field trip. While on a field trip all school rules and policies apply.

FIRE DRILLS OR FIRE EMERGENCY

In depth emergency procedures can be found at www.johncurtis.com. Students will become familiar with the fire drill and emergency exit plan that the school has in place. In the event of a dangerous situation classrooms will be placed in lockdown. The teacher will receive notification through the all page system, email, and or text. In a lockdown situation the classroom door must remain locked and no child may leave the room. Teachers must follow the guidelines of the administration. Parents will be updated through text, email, and phone.

FIRST AID

Any injured student should be reported to the office. Parents will be contacted if the injury appears to be serious. The principal should be told immediately of an injury. A student should notify school personnel of any injury.

GRADING POLICY

For 1st – 12th grade JCCS uses a 1st semester average in order to indicate to parents a child’s academic progress. The final average is determined by the 1st & 2nd semester grades. A student may be required to attend summer school for either a 1st or 2nd semester failure. A failure of both semesters will require summer school. The report card reflects a letter grade but portal will show both numerical and letter.

The following grading scale will be used this year:

| | |
|------------|---|
| 100 – 90 | A |
| 89 – 80 | B |
| 79 – 70 | C |
| 69 – 60 | D |
| 59 & Below | F |

Homework/Quiz: 25%

Participation: 15%

Assessment: 60%

GRADUATION REQUIREMENTS

In order to graduate students must meet the criteria for John Curtis Christian School, TOPS and Tops University Diploma. The state of Louisiana requires that each student completes 24 Carnegie units in order to graduate. JCCS requires 28 Carnegie units for students entering 9th grade and 30 units for students entering 8th grade.

STATE REQUIREMENTS (LA Core 4)

| | |
|-----------------------|---------|
| English | 4 units |
| Social Studies | 4 units |
| Math | 4 units |
| Science | 4 units |
| Physical Education | 2 units |
| Foreign Language | 2 units |
| Art (1)/Electives (3) | 4 units |

HONOR AWARD RECOGNITION

Students in grades 1st – 12th are eligible to receive the highest academic recognition award by earning a 4.0 numerical average in all academic subjects. Determination for all honor

awards are based on a numerical grade, not a letter grade as indicated in Portal. Students will not be considered for this award if they have excessive absences or tardies. These students will be recognized at an end of the year awards ceremony. Students must be in attendance the complete academic year.

Eighth grade valedictorian will be based on attendance at JCCS for both 7th & 8th grade year, earn an “A” each grading period in all academic subjects and follow the Honors curriculum. A student's discipline and attendance record will be reviewed when Administrators consider students for this award. Salutatorians are chosen within the same guidelines however they are considered the second highest in the class.

Twelfth grade valedictorian will be based on four years of high school attendance at JCCS, earn an “A” each grading period in all academic subjects and follow the Honors curriculum. A student's discipline and attendance record will be reviewed when Administrators consider students for this award. Salutatorians are chosen within the same guidelines however they are considered the second highest in the class. All students are ranked according to their overall high school GPA. A rank of #1 does not correlate to automatically being valedictorian.

HONORS PROGRAM

Students are eligible to enter the Honors Program based on GPA, standardized tests scores and teacher recommendations. In order to graduate with Honors a student must maintain a minimum GPA of 3.3, earn 30 Carnegie units, take all Honors courses, which include 4 years of English, 5 years of Math, 5 years of Social Studies, and 5 years of Science. The counselor will provide specific details on course titles and electives.

HOME ASSIGNMENTS /CLASS ASSIGNMENTS

Homework and classwork are a necessary part of the child's education. It is important to keep in mind that written work is not the only kind of homework. It is imperative for students to study nightly and read the monthly required reading book. Teachers will update Plus Portal weekly with grades and assignments.

LIBRARIES

The mission of the library is to extend and enrich classroom learning while providing a high degree of scholarship in a safe and secure environment of Christian values. All students must sign and follow the Children's Internet Protection Act guidelines for acceptable use when using school computers. Library privileges may be revoked for inappropriate and uncooperative behavior.

High School Library:

The High School Library is open on school days from 7:45 a.m. to 3:45 p.m. High School students may use the library before school, during lunch, and after school unless otherwise notified. Students who wish to use the library during scheduled class periods must have a library pass from the teacher. Library services include an online eBook and audiobook collection, an online encyclopedia subscription, SMART board use, magazines, DVD's, 9,000 volumes for book check out, student computers with Microsoft Office software, printing and copying service, Internet research with signing of Internet Compliance form, assistance in research from books, Internet, and online resources. Required Reading titles may be checked out for a 5 week period. A three week check out period is given for research and special interest books. Students with an overdue book or an unpaid fine will not be allowed to check out another book until the previous book is returned and/or the fine is paid. Detentions will be given for students who fail to return overdue books.

Lower School Library:

The Lower School Library is open on Tuesday and Wednesday, plus additional days upon request by teachers. Students in grades T2 through 3 visit the library on a weekly basis for book checkout and instructional lessons designed to encourage a lifelong love for reading. Grades 4-6 visit the library during scheduled visits with their teachers for research and instruction. Librarians provide support to the school's curriculum with instruction in reading skills, research, computer use, library skills, craft projects with books, and other lessons requested by teachers.

LEARNING DISABILITIES

JCCS works to meet the needs for all students at each level and to meet the individual needs of students who may have a wide range of learning abilities. Although we do not provide special education services or facilities it is our desire to accommodate the wide range of learning abilities of its students within reasonable limits consistent with the school's policies, available resources, and program of studies.

It is the parent's / guardian's responsibility to provide the school with a current psychoeducational evaluation by a certified medical professional to the principal, regarding the type of accommodations or services the student may require. This evaluation may come from a psychologist or learning disabilities specialist.

HEAD LICE (Pediculosis/Infestation)

Any student with head lice/nits shall be excluded from school until the student is free of active infestation and all louse nits. A parent will be called to school to pick up their child if a child has evidence of head lice, nits, or egg casings. School personnel will determine if screening of other students for possible infestation is necessary. Students with evidence of

head lice should remain home and receive treatment before returning to school. All evidence of nits or egg casings must be removed in order for the student to return to school. The school reserves the right to examine the student for head lice before allowing the student to be readmitted to class. In the event that lice returns more than once for the same child, a doctor's note stating that the student is free of nits and eggs will be required before that student may return to school. If your child has head lice, the parent has the responsibility of notifying the school.

LOCKERS

For grades 7th – 12th, lockers with a combination lock are provided to each student. All items when not in use, including shoes and clothes, should be in a locked locker. The lockers are the property of JCCS and may be searched at the discretion of the administration. JCCS is not liable for the damage to or loss of any personal belongings such as money, jewelry, electronic equipment, etc.

MEDIA SAFETY

According to the American Academy of Pediatrics parents need to monitor their child's media usage as this can have a negative impact on their academic, social / play, and sleep time. An important goal at JCCS is to help all students avoid dangerous online situations. We know that predators are searching and looking for any means possible to contact online users. It is imperative for parents to be aware of apps that are harmful and dangerous. The administrators of JCCS will assist you in teaching your child how to choose appropriate apps and use them responsibly which is vitally important in our media saturated world. Parents must be mindful that this includes but not limited to gaming apps.

MEDICATION

In order to assist parents whose children require medication during the school day, the following policy will be followed. This policy is taken directly from Act 87 of the state legislature regarding the administration of medication in the schools.

1. A parent must provide a written explanation and authorization detailing a student's need for medication during school hours.
2. No medication shall be administered to any student unless it is provided to the school in a container that meets acceptable pharmacy standards.
3. The medication itself shall contain clear instructions identifying the student's name, RX number, date, frequency, name of medication, dosage, and physician's name.
4. Any office employee shall have the right to request that another school employee be present while he/she is administering the medication to a student to serve as a witness. After making such a request, the employee shall not be required to administer the medication without such a witness.

The above policy shall be strictly adhered to. Parents are strongly encouraged, whenever possible, to come to the school personally to administer medicine to their children. To circumvent potential abuse, the medication will be kept in the school office in a secure, central location. **TEACHERS ARE NOT TO KEEP STUDENTS' MEDICINES IN THE CLASSROOM OR DISPENSE MEDICINE AT ANY TIME.**

MORAL RESPONSIBILITY

The school creates and maintains an atmosphere holding on to spiritual and moral truth. This includes the recognition of the importance of abstinence. We teach the moral and spiritual values of the Christian culture as described in the Holy Bible. We recognize that the Christian morals and values that we stand by as a Christian school are undermined by a secular world. Married students are not allowed to attend JCCS. Premarital sex is not in line with the biblical principles and truths that JCCS adheres to. If a student becomes pregnant or fathers a child the matter will be handled confidentially, with much prayer, and making every effort to minimize the concerns of other students and parents. We will not allow any students choice to undermine the moral teachings and policies of JCCS.

NATIONAL HONOR SOCIETY

The Patriot Chapter of the NHS is exclusive in its membership for honors students in grades 10th – 12th who have a minimum GPA of 3.4. An invitation to become a member of the Patriot Chapter is based on scholarship, service, leadership, and character. It is a privilege to be invited to join the Patriot Chapter of the NHS.

PARENT/VISITOR ENTRANCE

Parents and visitors must enter through the double gate courtyard at the high school campus and through the double glass door on Madelyn St. at the lower school. All visitors on campus must check in with the front office. This also pertains to parents as well. Students are not to communicate with anyone who is not an enrolled student at JCCS or any adult who is not a part of the faculty / staff of JCCS. This includes people driving by in vehicles.

PARENT PORTAL

All teachers will post daily/weekly assignments as well as grades on the Parent Portal. Each student and parent will have their own username and password. Both accounts must be activated. It is the responsibility of the student and parent to check the portal on a regular basis for all communications.

PARENTAL SUPPORT

Parents may be involved in JCCS in a number of ways. We encourage you to sign our volunteer sheet during Student Orientation, and we will contact you as events occur. Close cooperation between parents and the school is necessary if the school is to succeed in achieving the goal for which it was established.

PERSONAL BEHAVIOR/MORALITY

Students at JCCS are expected to act like Christian gentlemen and ladies. Students should be cautious of inappropriate physical contact. As long as they are students of JCCS they represent us and shall be held responsible for their actions on and off campus, in or out of uniform. Students should realize that whether in the community or at school it is necessary for them to abide by the policies and rules of JCCS. Failure to do so can result in expulsion. Any overt or unlawful act (violation of civil or criminal law) not only makes the student subject to penalties which the law or the courts may prescribe but will also result in dismissal or expulsion.

JCCS students must not engage in immoral acts contrary to the Christian teachings of Jesus Christ. They must adhere to the Christian principles of morality and decency. Students must maintain their residence with their parent or legal guardian and maintain a lifestyle in line with the teachings of JCCS and the Christian faith.

The rules and policies of JCCS apply to all students all of the time whether they are at school sponsored or non-school sponsored events. JCCS makes a commitment to represent their parents and students in a positive and well-meaning manner. Therefore students are prohibited from public behavior that is illegal, disruptive and indecent or damages the school reputation.

PHOTOGRAPHY/VIDEOGRAPHY

By the act of registering your child you agree to have your child's photograph taken and published for the purpose of promoting JCCS. If any parent does not agree please notify the principal.

PLAGIARISM/CHEATING

There is a no tolerance policy for plagiarism and cheating. Plagiarism is defined as the use of another person's work to represent one's own work or efforts. The school uses an automated service from Turnitin.com to prevent students from plagiarizing on research papers. Academic dishonesty and plagiarism in any form are not acceptable. If a student has been found cheating on a test an "F" will be recorded on the report card.

REPORT CARDS

1. Report cards are issued six (6) times a year.
2. A student may receive an F on the report card for academic dishonesty.
3. Report cards are emailed with final report card being mailed.

SCHOOL AND COMMUNITY SERVICE

Students are encouraged to become involved in organizations that support the school and community in a positive manner. All organizations have voluntary membership. When club members are representing the school off campus they must be dressed appropriately and conformed to all grooming policies in the handbook. Club members should always conduct themselves in a respectful manner. The administration may remove a student from any club for a violation of a school rule or policy.

SCHOOL DANCES

Dances are held during various times of the year for students in grades 9th – 12th. Former students must have exited JCCS in good standing in order to attend a school dance with a JCCS student. Outside guest will be required to present documentation indicating that they are in good standing at their current high school. JCCS students are held responsible for their date. All school rules and policies apply. Attending JCCS dances is a privilege not a right. The administration reserves the right to deny attendance to a JCCS student.

SEARCHES

JCCS is the exclusive owner of all school buildings, desks, lockers, and designated private property including parking lots. The administration may search any of these areas for any item which violates school rules or policies. This can be done either randomly or specifically when there is a reasonable belief that the items sought will be found. Metal detectors may be used to conduct these searches. Persons and their personal property may be searched while on school property. By entering school property, the person driving any vehicle is deemed to consent of complete search of the automobile, with or without cause by school officials or police.

SEXUAL HARRASMENT

JCCS will take timely and effective action to address any acts of harassment, sexual or otherwise, amongst staff and faculty members, amongst staff/faculty and students, and amongst students. Any and all alleged incidents should be reported immediately to the Headmaster where by a review will take place.

TESTS, MEASUREMENTS, AND EVALUATIONS

Students in grades K-10 will be tested during the spring using a nationally normed test such as the Stanford Achievement Test. Eleventh graders will receive ACT prep at this time. The purpose is to measure a student's individual progress from year to year. Students take the PSAT during the 11th grade. Students are encouraged to take the ACT by the end of the 10th grade continuing through the 12th grade. We reserve the right to administer any other test the administration and faculty deems necessary.

TATTOOS

JCCS strongly discourages the practice of getting tattoos. Furthermore, the school reserves the right to require a student to keep a tattoo concealed from public view during the school day or at any official school event, especially where the student is identifiable as a JCCS student. JCCS also reserves the right to dismiss a student for bearing a particularly offensive tattoo as judged by the expressly stated moral and religious values of the school.

TECHNOLOGY

Our school enforces a policy of Internet safety and compliance following the Children's Internet Protection Act (CIPA) by:

- Providing a filtering system that blocks access to harmful depictions and information
- Addressing issues of inappropriateness, social networking, and unauthorized disclosure of personal information and hacking
- Holding public meetings on Internet safety issues.
- Students are not allowed to use technological resources for nonacademic purposes.
- The internet is to be used for scholarly research and to be used for educational information.
- All school rules and policies apply to technological resources.
- **Wearable communication devices such as "apple watches" are prohibited.**
