Information Regarding Scholarships & Financial Aid

John Curtis Christian School is a non-denominational Christian School and is not tied to, funded, or supported by any church or association. However, by carefully balancing tuition dollars and fund-raising endeavors, the school is able to offer scholarships as well as work study programs to families in our school.

An undetermined number of **scholarships** are awarded based on academic merit by evaluating past report cards, standardized test scores, conduct records, and letters of recommendation. These scholarships are carefully considered and bestowed by the Board of Directors on a year-by-year basis.

Based on financial need, **work study** programs may be assigned to offset the financial obligation of tuition only. Upon acceptance into our school, a parent may inquire of any positions and or work programs which may available. Most work study is assigned to parents and may be in the form of skilled labor for which the parent is required to turn in a time sheet for labor and invoices for materials used. Other work study positions such as teacher aides, bus drivers, cafeteria workers, etc. require a time sheet at the end of each month with an hourly wage credited toward the tuition balance of the child.

Students may also receive financial assistance by performing work assigned by the work study program. This work involves labor on the school's campus as needed. Some programs are offered during the school year but the majority of student work study takes place during the summer months. Because some work is strenuous and not suitable for all students, this opportunity is exclusively for high school students. Girls may be assigned work study jobs doing clerical support work, tutoring or child care while boys are usually assigned basic clean-up, maintenance, and repairs on both campuses. Each student earns an hourly wage which is deducted from the tuition at the end of the summer. Should a student fail to perform tasks satisfactorily or not make himself/herself available at the required times, the work study program is discontinued and the remainder of the tuition is payable in full.
