

# Summer Reading

for students entering 1<sup>st</sup> and 2<sup>nd</sup> grade

Dear families,

We want to encourage students to enjoy reading this summer. Please help your child to participate in summer reading by completing activities on the attached Summer Reading Choice Board. Allow your child to choose books that interest them, so long as they are age-appropriate. You may read with your child if necessary; the goal is instill a love of reading.

Encourage your child to complete as many of these reading activities as possible and to do a book report for at least 3 of the books they read. Students should turn in the attached Summer Reading Choice Board and the 3 book reports to their reading teacher on the first day of school. Students who participate will receive a prize and extra credit.
